THE LAKE

The heart of Hidden Lake is a 75-acre, spring-fed lake

stocked with fish and surrounded by woods and grassy meadows.

Though it's only just outside the city, Hidden Lake feels like it's miles away from the hustle and bustle of urban life. Our private lake features a fishing pier, a boathouse and canoes and kayaks provided for residents. Hidden Lake is the perfect place for paddling a kayak, catching a fish or simply enjoying the serenity of an early morning.

THE LIFESTYLE

Living at Hidden Lake allows you to get away from it all while being close to everything.

Here, you can enjoy both the tranquility of country living and the convenience of being a short drive from all the amenities you expect in the place you call home. The shops, restaurants and charm of downtown Wake Forest are only 15 minutes away, while the museums, activities and cultural offerings of Raleigh are just a little further.

Hidden Lake is ideal for those accustomed to an active lifestyle.

In addition to the activities available around our private lake, there are parks, hiking trails, soccer fields, tennis courts, golf courses, equestrian facilities and a hockey rink nearby. Cyclists can enjoy the winding country roads or hop on the nearby Upper Neuse Greenway and bike all the way to downtown Raleigh and beyond on the Capital Area Greenway system.

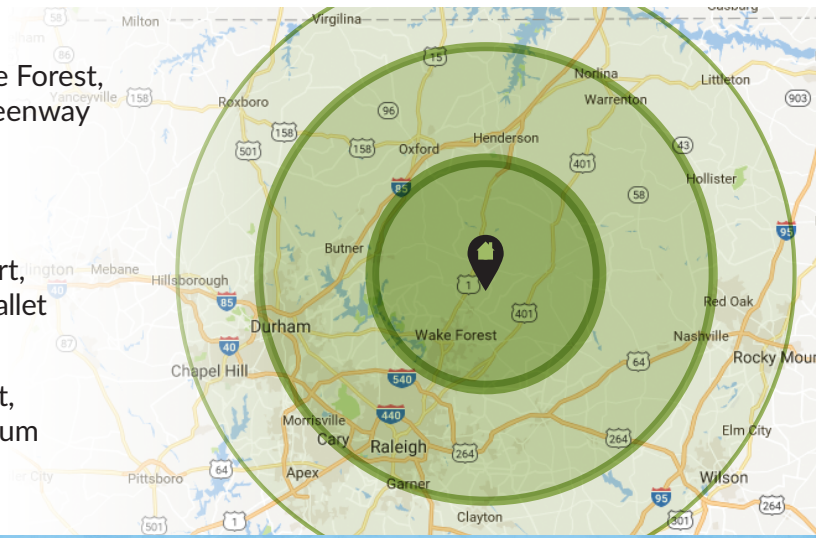

Once you're home at Hidden Lake, you can feel like you're part of a community where you get to know your neighbors again. Residents can cook out at the pavilion, use the clubhouse for parties or simply go for an evening stroll in the woods. **If you want to join our community and find a home that's close to everything, but away from it all, call (919) 554-1835, email Info@DiscoverHiddenLake.com or visit us online at www.DiscoverHiddenLake.com.**
